

Gallery Expectations

Respect the artworks

Artworks are very fragile and can be permanently damaged, even by the gentlest of touch. Touching the surface of an artwork with your finger or hand deposits skin greases and salts, which over time, cause damage.

Use cameras without FLASH

Cameras are a great way to record your visit to the Gallery and to assist in stimulating reflection and discussion afterwards. FLASH photography is not allowed as the flash can damage sensitive artworks.

Refrain from eating and drinking

Food and drink breaks are generally scheduled in for visits, and nearby public areas are available such as the Wollongong Civic Plaza.

Exceptions will be made for medical reasons.

Please advise staff on arrival

Check your bags

Bags are to be placed in trolley provided near entrance to Gallery. Students are to keep their VAPDs/small sketchbooks, worksheets, pencils and valuables with them at all times.

Pens are not allowed.
